Shopping Notes:

Car is shopped for cleaning for release from service. A cleaning cert and interior photos before and after cleaning are needed.

All openings must have metal security seals applied and documented with photos. Dispo will not be provided without all applicable regulatory documents, cleaning certificates, test certificates, photo confirmation of metal security seals, photo confirmation of the consolidated qualification decal, and photos of each car side, fittings & end.

Estimate Approvals & Dispo:

Please send BRC estimates for approval and all dispo requests to Alan Willaredt (awillaredt@midwestrailcar.com) and Miranda Baker (mbaker@midwestrailcar.com). Please note dispo will not be provided without all applicable regulatory documents, cleaning certificates, test certificates, photo confirmation of seals, photo confirmation of the consolidated qualification decal, and photos of each car side, fittings & end (unless otherwise approved).

Final Invoices:

Please email all invoices to repairinvoices@midwestrailcar.com, with a CC to Alan Willaredt (awillaredt@midwestrailcar.com) and Miranda Baker (mbaker@midwestrailcar.com). Please ensure the "Billed Party" (character positions 6-9) are identified as ICPX. The final BRC and AAR 500 byte data file must accompany the invoice or it will not be processed for payment.

Submit invoices for payment to:
ICL Performance Products
c/o Midwest Railcar Corporation
Attn: Fleet Management
855 S. Arbor Vitae
Edwardsville, IL 62025

I certify this car as out-shopped meets all DOT, TC, AAR, Midwest Railcar Corp, and customer requirements.
